

Workshop on prospect of radiation chemistry

Date: May 30 – May 31, 2015

Location: Lecture hall, ISIR, Osaka University (Suita-campus)

May 30

- | | |
|--------------|---|
| 13:00- 13:10 | Opening (Prof. Yoichi Yoshida, Osaka Univ.) |
| 13:10- 13:40 | Discussion on radiation chemistry in Asia
(Coordinator: Prof. Dipak Palit, BARC) |
| 13:40- 14:10 | Discussion on radiation chemistry in Europe
(Coordinator: Prof. Olgun Guven, Hacettepe Univ.) |
| 14:10- 14:40 | Discussion on radiation chemistry in USA
(Coordinator: Prof. Jay LaVerne, Notre Dame Univ.) |
| 14:40- 15:10 | Group photo & coffee break |
| 15:10- 15:40 | Discussion on worldwide prospect of radiation chemistry
(Coordinator: Prof. Seiichi Tagawa, Osaka Univ.) |
| 15:40- 17:10 | Lab. tour (two linacs & pulse radiolysis systems) |

May 31

- | | |
|-------------|--|
| 9:00- 11:00 | Free discussion on attosecond pulse radiolysis
(Coordinator: Prof. Yoichi Yoshida, Osaka Univ.) |
|-------------|--|

This workshop is held under co-hosting of research laboratory for quantum beam science (ISIR, Osaka Univ.).
