

Examples of Good and Poor TOC/Abstract Graphics

Authors are encouraged to examine a current issue of the journal for appropriate examples of TOC/abstract graphics. Some examples of good and poor TOC/abstract graphics are provided below.

GOOD GRAPHICS

This graphic has a good balance of images and description. All of the type is crisp and easy to read.

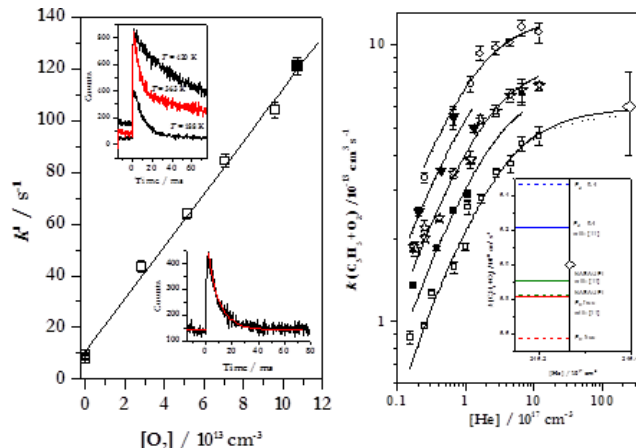

This graphic is simple and appealing.

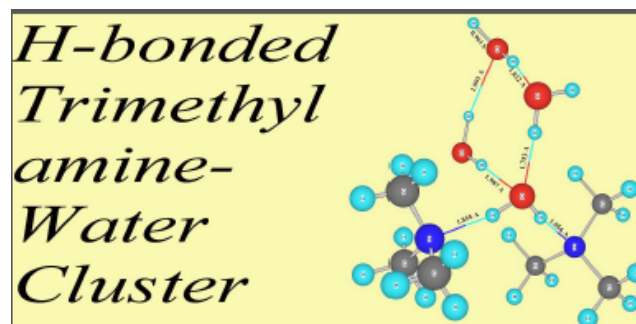

Appealing use of color and graphs. Even the smallest type is good quality and readable.

POOR GRAPHICS

Graphic is very cluttered and most of the fonts are too small or faint to be readable.

The font is too big, the image says nothing about the article, and the type on the image is unreadable.

Graphic is uninteresting and not informative.
