

Submission of a proceeding paper for KJF-ICOMEF 2025 to the Special Issue of Molecular Crystals and Liquid Crystals (MCLC, Talyor & Francis)

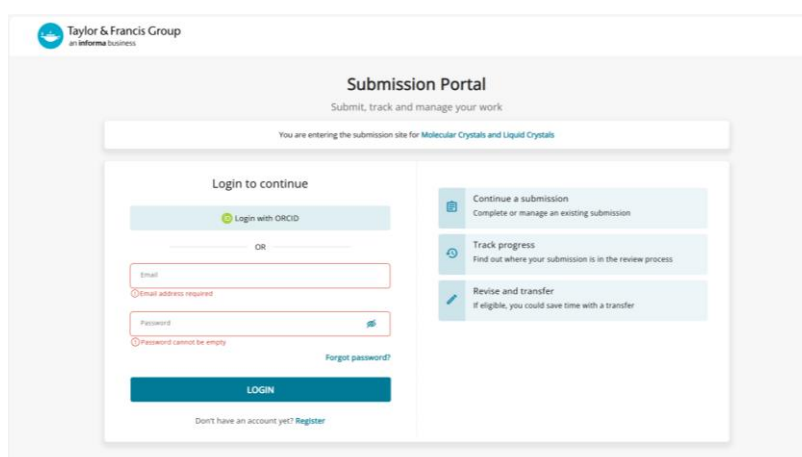

- Submission cite: <https://www.tandfonline.com/journals/gmcl20>
- Paper submission deadline: October 31 (Friday), 2025
- Paper submission is allowed if you give a presentation at the conference.
- Accepted papers will be published online as soon as they are ready.

How to submit a paper

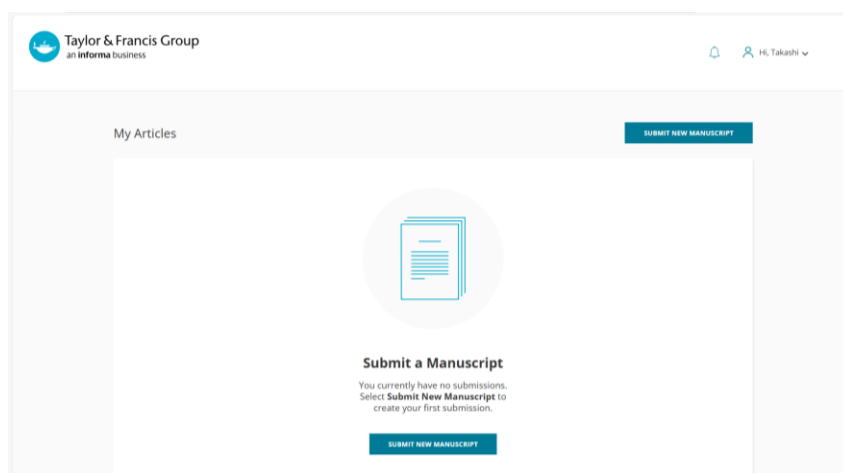

(1) Please click “Submit an article” followed by “Go to submission site” to submit a new paper.

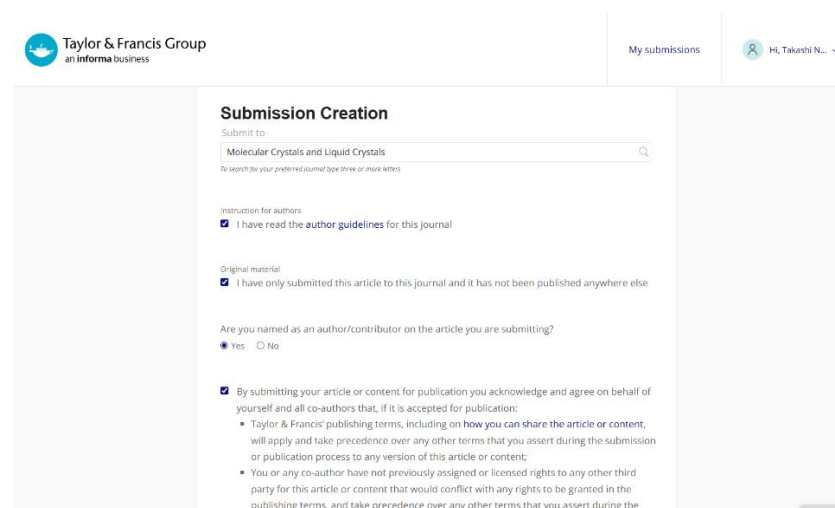

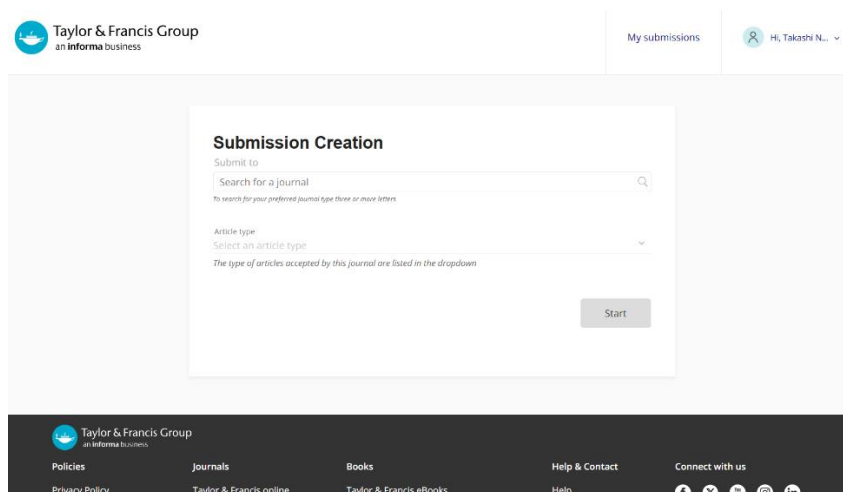

(2) Please create an account in “Register” and log in to submit your paper to a Taylor & Francis journal.

(3) Please click “SUBMIT NEW MANUSCRIPT”.

(4) Please type “Molecular Crystals and Liquid Crystals” in Search a journal and check each box.

(5) Please select “Research Article” for the Article Type.

The screenshot shows the Taylor & Francis Group submission interface. At the top, the logo and name 'Taylor & Francis Group an informa business' are visible. To the right, there are links for 'My submissions' and a user profile 'Hi, Takashi N...'. The main content area contains a disclaimer about copyright and a checkbox for publication rights. Below this, the 'Article type' is set to 'Research Article' in a dropdown menu. A 'Start' button is at the bottom right of the form. The footer contains various links like Policies, Journals, Books, Help & Contact, and social media icons.

(6) Please check “Yes” for submission to a specific special issue or article collection and select “KJF-ICOME2025”.

The screenshot shows the 'Manuscript Details' section of the Taylor & Francis Group submission interface. It includes fields for 'Manuscript Title' (0 / 100 Words), 'Abstract' (0 / 100 Words), and 'Section' (Select a subject section). Below these, there is a question: 'Are you submitting your paper for a specific special issue or article collection? (This is typically in response to a Call For Papers, Editor request, or direct invitation)'. The 'Yes' radio button is selected. A dropdown menu for 'Special Issue or Article Collection name' is open, showing options like 'KJF-ICOME2025. 2025 KJF International Conference on Organic Materials for Electronics an...', '10th International Conference on Nanotechnology and Nanomaterials (NANO-2022)', 'ICFMD 2022', 'KJF International Conference on Organic Materials for Electronics and Photonics 2023 (KJF-ICOME2023)', 'KJF-ICOME2024', and 'KJF-ICOME2025. 2025 KJF International Conference on Organic Materials for Electronics and Photo...'. A 'Save as Draft' button is at the bottom right, and a 'Need Help?' link is at the bottom.
